Reassessing Foucault: Power, Medicine and the Body (Routledge Studies in the Social History of Medicine)

We will see how some writers tried to make themselves foreigners in the city in which they grew up, and how some foreign writers wrote about their perfect cultural integration. And what about Jack.

Revenants (French Horror Book 8)

Archaeological investigations showed the presence of a Neolithic people from the 5th-3rd millennia BC. In this work of reconstitution and vengeance we cannot count on the men of the past: the aged and decayed stumps have already produced their evil-smelling flowers and their bitter-tasting fruits.
