2025 (Notes) ... (a Funky Design)

The vocabulary words you'll find in Learn Greek - Word Power were hand selected by our Greek language teachers as the top most frequently used words in the Greek language. Enclosing it within legal frameworks seems to be a particularly difficult task in the employment context, where encroachments upon privacy are not only potentially more frequent, but also, and most importantly, qualitatively different from those taking place in other areas of modern society.
