Instead, Arthur Frank suggested that when listening to others we should encounter the other as other rather than on our own terms, thereby respecting and preserving alterity, or otherness. This is fatal to finding any code in Scripture. The Reichstag elections of July had not solved the problem of the Weimar Republic's inability to govern, but only led to a further weak- ening of the forces of democracy in the parliament, so that Hindenburg's Chan- cellor, Franz von Papen, was defeated by the second sitting of the newly elec- ted Reichstag, on September The Reichstag was thus dissolved, for the second time in the space of a year; the requisite new elec- tions were called for November 6.
