Saving Sasha

One of his major philosophical rules, however, stipulated rather to win the friendship and understanding of the opponent than to humiliate. If anything characterizes the 19th century, aside from this lack of originality, it is the frustrating dynamic of political entities attempting to create an infrastructure for education in subjects about which they knew nothing, and for which they had either an entrenched distrust or an excess of enthusiasm.

Tantrasangraha of Nilakantha Somayaji

We will try to stick to the definition or understanding that is relevant to "online content" and content that could be considered for ranking with search engines such as Google.
