Sociological theory is developed at multiple levels, ranging from grand theory to highly contextualized and specific micro-range theories.

### **Feedback Amplifiers: Theory and Design**

Thus the term seems to have passed from an original local and chiefly political sense, in which it was used as early as BC, to a technical and religious meaning in the Judaism of the New Testament epoch. In particular, the treatment of syllabification, semivowels, nasal and lateral assimilation, vowel epenthesis, alternating diphthongs, stop-fricative alternations, and stress assignment is anachronistic.
