Wolf, the mysterious Disneyland security guard and Guardian of Walt Disney, now armed with a 21st century helper and a beautiful damsel lost in the stream of time, finds himself traveling back and forth through history as he attempts to get the enchanted princess, Briar Rose, back home to her own castle and time. Social theorists, who had predicted an inevitable and irreversible process of secularization with the socioeconomic modernization of societies, have been proven wrong in recent decades by the emergence of religiopolitical movements in democracies worldwide.
