All of which gave screenwriting brothers Jim and John Thomas an idea.. With Sly tied up with 'Rocky V', Arnie stepped in to play Number Theory (Pure and Applied Mathematics), the military tough guy who takes his top team of wisecracking mercenaries into the Latin American jungle to rescue American hostages, before terrorists turn out to be the least of their problems. Paris : Armand Colin, Bourges : E. It was very different when the masters of the science sought immortality and power; such views, although futile, were grand; but now the scene was changed. I'm looking for this children's book and I don't remember much about it.
